

SKETCHING THE PAST 2 WEDNESDAY SEPT. 19TH 10-12PM

Following on from our very successful and enjoyable sketching trip to Castlefield this August we have arranged another one.

This time we will be sketching in the Ancoats area which was the centre of the cotton industry in Manchester. Much has already disappeared due to regeneration but there are still pockets of interesting architecture to be sketched.

So, if you would like to "have a go" at sketching our city with a very friendly and relaxed group (see us and our work on the Cottonopolis U3A website) you are very welcome to join us.

Meet at 10am. outside the black and silver Daily Express Building on Great Ancoats Street, at the top of Oldham St/Lever St. All you need is a 2B pencil, a sketch pad, rubber and pencil sharpener and lots of enthusiasm to "have a go"!

Afterwards, we can have some well-earned refreshment at one of the many cafes in the area.
Hope to see you there,*

Catherine
